KENTUCKY KERNELS.

A commercial club has been organized at Bardston.

Fire caused a loss of \$17,000 in the negro district of Lawrenceburg Sunday night.

Two prisoners under sentence to the penitentiary escaped from the Frenchburg jail, but were captured later.

An Eastern corporation has secured control of 20,000 acres of timber land in Floyd and Magoffin counties.

As a result of the recent revival in Russellville it is probable that a local option election will be held in that town.

Fire at an early hour Saturday morning caused a loss of between \$40,000 and \$50,000 in Danville. Twenty-six horses perished.

According to the official returns from the congressional race in the Eleventh district Hunter has a majority over Edwards of 102 votes.

Albert Killen, of Powell county, has been convicted of killing Caswell Bowen and has been sentenced to three years in the penitentiary.

The Kentucky Railroad Commission met at Seelbach's, in Louisville Saturday, to consider rates as affected by the long and short haul clause.

The official returns from every county in the state but Carlisle, and that is included (unofficial), gives Beckham a majority of 26,250 over Belknap for governor.

Only the walls are left of the old Masonic Temple, in Louisville, which was gutted by fire on Friday morning last at 3 o'clock. The loss will be over \$200,000.

Twelve suits have been filed in Frankfort against as many distillery and warehouse companies to recover accumulated interest now alleged to be due the state.

The people of Burnside and vicinity are trying to secure improvements in the Cumberland, which will insure a stage of water all the year round for steamboat traffic.

Rev. Irl R. Hicks's 1904 Almanac.

The Rev. Irl R. Hicks Almanac for 1904 is now ready. It will be mailed to any address for 30 cents. It is surprising how such an elegant, costly book can be sent prepaid so cheaply. No family or person is prepared to study the heavens, or the storms and weather in 1904, without this wonderful Hicks Almanac and Prof. Hicks's splendid paper, Word and Works. Both are sent for only \$1.00 a year. Word and Works is among the best American magazines. Like the Hicks Almanac, it is too well known to need further commendation. Few men have labored more faithfully for the public good or found a warmer place in the hearts of the people. Send orders to Word and Works Publishing Co., 2201 Locust Street, St. Louis, Mo.

Breck Amyx, who is now active in promoting the oil interests in and about Chanute, Kansas, being himself president of a local company, last week had a fight with State Auditor Wells, in which he acquitted himself in true Kentucky style by knocking out his man in two rounds. It seems that Wells is editor of the Erie Republican-Record, in which he had published an article reflecting on Breck, and the latter went after him with the above result. The Chanute Blade, from which we gather these facts, has a column about the affair, but we give the gist of it.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THE HERALD.

SPENCER COOPER. : : : Editor.

HAZEL GREEN, KY.

THURSDAY, : Nov. 19, : 1903.

Our Candidate for President,
WM. RANDOLPH HEARST,
OF NEW YORK.

Announcements.

FOR JAILER.

PERDUE.—We are authorized to announce G. W. PERDUE, of Lane, as a candidate for the office of Jailer of Wolfe County, subject to the action of the Democratic party.

FOR SHERIFF.

DAY.—We are authorized to announce ROBT. A. DAY as a candidate for Sheriff of Wolfe County, subject to the action of the Democratic party.

HON. FRANK HOPKINS is making a record in congress, and verifying the prediction made by THE HERALD when he was a candidate, that he would prove one of the most industrious members that ever went from the Tenth district. Among the important bills he has already introduced are the two following, the passage of which would be hailed with joy by his constituents. The text of the bills follow:

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That it shall be lawful for the growers of leaf tobacco to stem, twist, and sell their own product without the payment of the tax now required of manufacturers of the same under existing laws.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of War be, and he is hereby directed to improve the Tug and Louisa forks of the Big Sandy River, in West Virginia and Kentucky, in accordance with report submitted in House Document Numbered Two Hundred and thirty-five, Fifty-sixth Congress, second session, and for this purpose the sum of one hundred and fifty thousand dollars is hereby appropriated: Provided, That a contract or contracts may be entered into by the Secretary of War for such materials and work as may be required to prosecute the project recommended in said report, or said material may be purchased and work done otherwise than by contract, to be paid for as appropriations may from time to time be made by law not to exceed in the aggregate two million and eighty thousand dollars, exclusive of the amount herein or hereafter appropriated.

The first of these bills is to the interest of thousands of farmers, and will do more to encourage the growing of tobacco than any legislation that could be enacted, and the latter bill, while apparently local in scope, is calculated to be of general interest.

From Hazard, Ky.

D. Y. Combs, of Hazard, Ky. writes: "I have suffered for ten years with my stomach and all doctors failed. I have used four bottles of your Kodol Dyspepsia Cure and can now eat and drink anything I want. Kodol Dyspepsia Cure digests all classes of food, tones and strengthens the stomach and digestion and organs. It supplies the natural juices of digestion and does all the work of the stomach, while the inflamed muscles are allowed to rest and heal. Sold by all druggists."

GEORGE W. PERDUE, of Lane, is announced in this issue as a candidate for the office of Jailer of Wolfe county, and submits his claims to the action of the Democratic party. Mr. Perdue is a farmer and has always been a voting and a working Democrat, having voted the straight unscratched ticket ever since he became a voter, which dates back a decade, he being now 31 years of age. ally we do not know Mr. Perdue, but he has the respect and confidence of his neighbors, and that is evidence of worthiness. He has never before asked for office, but being a poor man he would appreciate his nomination and election to the place he now seeks, and if he proves the preference of the party he promises to discharge the duties of the position faithfully and in the interest of all people, regardless of politics.

A Good Name.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton, Boerne, Tex. Thousands of people are using these tiny little pills in preference to all others because they are so pleasant and effectual. They cure biliousness, torpid liver, jaundice, sick head ache, constipation, etc. They do not purge and weaken, but cleanse and strengthen. Sold by all druggists.

THE ability of Hon. Frank Hopkins has been recognized by the Republican congressional caucus, judging from the important committees to which he has been assigned, viz: Cuban Relations, Inter-Oceanic Canals, and Privileges and Elections. That he is not chairman of some of them is due alone to the fact that he belongs to the minority party.

Cured of Piles After 40 Years.

Mr. C. Haney, of Geneva, O., had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, laceration, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Sold by all druggists.

Feels That He Must Do Or Die.

Deweese Wilgus left Monday for West Liberty to assist John Davis on the brick work of the Cecil hotel. One day last week he set a grate for us, but we noticed how weak he was and refused to have him try a second one. He has been in feeble health for a year and is unfit for work, but having a wife and four children dependent upon him, and his relatives at Lexington having refused to help him, the poor fellow feels that he must do or die. He is in a pitiable condition and has the sympathy of all in this community.

Doesn't Respect Old Age.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, jaundice, fever, constipation, all yield to this perfect pill. 25c. at all drug stores.

Miss Cordie Adams, who is the teacher of the Pergam school in Menifee county, has just 10 days more to teach, when she will dismiss and come home, which she has not once visited since school opened.

A telephone message from McCausey on Tuesday morning asked H. F. Pieratt to have hack meet W. O. Mize and family at that place yesterday, and ere this goes to print they will have been welcomed home by a host of friends. Later.—They came the other way, and will arrive today.

Loss of Vitality

Is loss of the principle of life, and is early indicated by failing appetite and diminishing strength and endurance. Hood's Sarsaparilla is the greatest vitalizer—it acts on all the organs and builds up the whole system.

Little Nattie Clark, daughter of Mrs. Callie Clark of our town, is very sick.
